Definitions

Sec. 2. As used in this chapter:

"Community organization" means a citizen's group, neighborhood association, neighborhood development corporation, or similar organization that:

(1) has specific geographic boundaries defined in its bylaws or articles of incorporation and contains at least forty (40) households within those boundaries;

(2) is a nonprofit corporation that is representative of at least twenty-five (25) households or twenty percent (20%) of the households in the community, whichever is less;

(3) is operated primarily for the promotion of social welfare and general neighborhood improvement and enhancement;

(4) has been incorporated for at least two (2) years; and

(5) is exempt from taxation under Section 501(c)(3) or 501(c)(4) of the Internal Revenue Code.

(4) authorizes the enforcement authority to assess and collect ongoing costs for continuous enforcement order activities from any party that is subject to the enforcement authority's order.

"Department" refers to the executive department authorized by ordinance to administer this chapter. In a consolidated city, this department is the department of metropolitan development, subject to IC 36-3-4-23.

"Enforcement authority" refers to the chief administrative officer of the department, except in a consolidated city. In a consolidated city, the division of development services is the enforcement authority, subject to IC 36-3-4-23.

"Hearing authority" refers to a person or persons designated as such by the executive of a city or county, or by the legislative body of a town. However, in a consolidated city, the director of

the department or a person designated by the director is the hearing authority. An employee of the enforcement authority may not be designated as the hearing authority.

"Known or recorded fee interest, life estate interest, or equitable interest of a contract purchaser" means any fee interest, life estate interest, or equitable interest of a contract purchaser held by a person whose identity and address may be determined from:

(B) written information or actual knowledge received by the department (or, in the case of a consolidated city, the enforcement authority); or

(C) a review of department (or, in the case of a consolidated city, the enforcement authority) records that is sufficient to identify information that is reasonably ascertainable.

"Substantial property interest" means any right in real property that may be affected in a substantial way by actions authorized by this chapter, including a fee interest, a life estate interest, a future interest, a mortgage interest, or an equitable interest of a contract purchaser. *As added by Acts 1981, P.L.309, SEC.28. Ordinances adopting this chapter

Sec. 3. The legislative body of a municipality or county may adopt this chapter by ordinance. The ordinance must specify the executive department of the unit responsible for the administration of this chapter or establish such a department. However, in a municipality in which a commissioner of buildings was appointed to administer IC 18-5-5 (before its repeal on September 1, 1981), the commissioner of buildings is responsible for the administration of this chapter. The ordinance must also incorporate by reference the definition of "substantial property interest" in this chapter.

As added by Acts 1981, P.L.309, SEC.28. Amended by Acts 1982, P.L.33, SEC.34; P.L.3-1990, SEC.126.

IC 36-7-9-4

Unsafe buildings and unsafe premises described

Sec. 4. (a) For purposes of this chapter, a building or structure, or any part of a building or

structure, that is:

- (1) in an impaired structural condition that makes it unsafe to a person or property;
 - (2) a fire hazard;
 - (3) a hazard to the public health;
 - (4) a public nuisance;
 - (5) dangerous to a person or property because of a violation of a statute or ordinance concerning building condition or maintenance; or
 - (6) vacant and not maintained in a manner that would allow human habitation, occupancy, or use under the requirements of a statute or an ordinance;
- is considered an unsafe building.

(b) For purposes of this chapter:

- (1) an unsafe building; and
 - (2) the tract of real property on which the unsafe building is located;
- are considered unsafe premises.

(c) For purposes of this chapter, a tract of real property that does not contain a building or structure, not including land used for production agriculture, is considered an unsafe premises if the tract of real property is:

- (1) a fire hazard;
- (2) a hazard to public health;
- (3) a public nuisance; or
- (4) dangerous to a person or property because of a violation of a statute or an ordinance.

IC 36-7-9-4.5

Legislative findings; vacant or deteriorated structures

Sec. 4.5. (a) In Indiana, especially in urban areas, there exist a large number of unoccupied structures that are not maintained and that constitute a hazard to public health, safety, and welfare.

(b) Vacant structures often become dilapidated because the structures are not maintained and repaired by the owners or persons in control of the structures.

(c) Vacant structures attract children, become harborage for vermin, serve as temporary abodes for vagrants and criminals, and are likely to be damaged by vandals or set ablaze by arsonists.

(d) Unkept grounds surrounding vacant structures invite dumping of garbage, trash, and other debris.

(e) Many vacant structures are situated on narrow city lots and in close proximity to neighboring structures, thereby increasing the risk of conflagration and spread of insect and rodent infestation.

(f) Vacant, deteriorated structures contribute to blight, cause a decrease in property values, and discourage neighbors from making improvements to properties.

(g) Structures that remain boarded up for an extended period of time also exert a blighting influence and contribute to the decline of the neighborhood by decreasing property values, discouraging persons from moving into the neighborhood, and encouraging persons to move out of the neighborhood.

(h) Vacant structures often continue to deteriorate to the point that demolition of the structure is required, thereby decreasing available housing in a community and further contributing to the decline of the neighborhood.

(i) The blighting influence of vacant, deteriorated structures adversely affects the tax revenues of local government.

(j) The general assembly finds that vacant, deteriorated structures create a serious and substantial problem in urban areas and are public nuisances.

(k) In recognition of the problems created in a community by vacant structures, the general assembly finds that vigorous and disciplined action should be taken to ensure the proper maintenance and repair of vacant structures and encourages local governmental bodies to adopt maintenance and repair standards appropriate for the community in accordance with this chapter and other statutes.

Orders; contents; notice; expiration

Sec. 5. (a) The enforcement authority may issue an order requiring action relative to any unsafe premises, including:

- (1) vacating of an unsafe building;
- (2) sealing an unsafe building against intrusion by unauthorized persons, in accordance with a uniform standard established by ordinance;
- (3) extermination of vermin in and about the unsafe premises;
- (4) removal of trash, debris, fire hazardous material, or a public health hazard in and about the unsafe premises;
- (5) repair or rehabilitation of an unsafe building to bring it into compliance with standards for building condition or

maintenance required for human habitation, occupancy, or use by a statute, a rule adopted under IC 4-22-2, or an ordinance;

- (6) demolition and removal of part of an unsafe building;
- (7) demolition and removal of an unsafe building if:
 - (A) the general condition of the building warrants removal; or
 - (B) the building continues to require reinspection and additional abatement action after an initial abatement action was taken pursuant to notice and an order; and
- (8) requiring, for an unsafe building that will be sealed for a period of more than ninety (90) days:
 - (A) sealing against intrusion by unauthorized persons and the effects of weather;
 - (B) exterior improvements to make the building compatible in appearance with other buildings in the area; and
 - (C) continuing maintenance and upkeep of the building and premises;in accordance with standards established by ordinance.

Notice of the order must be given under section 25 of this chapter. The ordered action must be reasonably related to the condition of the unsafe premises and the nature and use of nearby properties. The order supersedes any permit relating to building or land use, whether that permit is obtained before or after the order is issued.

- (b) The order must contain:

- (1) the name of the person to whom the order is issued;
- (2) the legal description or address of the unsafe premises that are the subject of the order;
- (3) the action that the order requires;
- (4) the period of time in which the action is required to be accomplished, measured from the time when the notice of the order is given;
- (5) if a hearing is required, a statement indicating the exact time and place of the hearing, and stating that person to whom the order was issued is entitled to appear at the hearing with or without legal counsel, present evidence, cross-examine opposing witnesses, and present arguments;
- (6) if a hearing is not required, a statement that an order under subsection (a)(2), (a)(3), (a)(4), or (a)(5) becomes final ten (10) days after notice is given, unless a hearing is requested in writing by a person holding a fee interest, life estate interest, or equitable interest of a contract purchaser in the unsafe premises, and the request is delivered to the enforcement authority before the end of the ten (10) day period;
- (7) a statement briefly indicating what action can be taken by the enforcement authority if the order is not complied with;
- (8) a statement indicating the obligation created by section 27 of this chapter relating to notification of subsequent interest holders and the enforcement authority; and
- (9) the name, address, and telephone number of the enforcement authority.

(c) The order must allow a sufficient time, of at least ten (10) days, but not more than sixty (60) days, from the time when notice of the order is given, to accomplish the required action. If the order allows more than thirty (30) days to accomplish the action, the order may require that a substantial beginning be made in accomplishing the action within thirty (30) days.

(d) The order expires two (2) years from the day the notice of the order is given, unless one (1) or more of the following events occurs within that two (2) year period:

- (1) A complaint requesting judicial review is filed under section 8 of this chapter.
- (2) A contract for action required by the order is let at public bid under section 11 of this chapter.
- (3) A civil action is filed under section 17 of this chapter.

(e) If the order contains a statement under subsection (a)(6) or (a)(7), notice of the order shall be given to each person with a known or recorded substantial property interest.

IC 36-7-9-6

Modification or rescission of orders

Sec. 6. (a) The enforcement authority may issue an order that modifies the order previously issued.

(b) The enforcement authority may rescind an order previously issued, even if the order has been affirmed by the hearing authority.

As added by Acts 1981, P.L.309, SEC.28. Amended by P.L.59-1986, SEC.6.

IC 36-7-9-7

Hearings; hearing authority findings and action; additional period for ordered actions; continuous enforcement order; performance bond; record of findings; collection of penalties

Sec. 7. (a) A hearing must be held relative to each order of the enforcement authority, except for an order issued under section 5(a)(2), 5(a)(3), 5(a)(4), or 5(a)(5) of this chapter. An order issued under section 5(a)(2), 5(a)(3), 5(a)(4), or 5(a)(5) of this chapter becomes final ten (10) days after notice is given, unless a hearing is requested before the ten (10) day period ends by a person holding a fee interest, life estate interest, mortgage interest, or equitable interest of a contract purchaser in the unsafe premises. The hearing shall be conducted by the hearing authority.

(b) The hearing shall be held on a business day no earlier than ten (10) days after notice of the order is given. The hearing authority may, however, take action at the hearing, or before the hearing if a written request is received by the enforcement authority not later than five (5) days after notice is given, to continue the hearing to a business day not later than fourteen (14) days after the hearing date

shown on the order. Unless the hearing authority takes action to have the continued hearing held on a definite, specified date, notice of the continued hearing must be given to the person to whom the order was issued at least five (5) days before the continued hearing date, in the manner prescribed by section 25 of this chapter. If the order being considered at the continued hearing was served by publication, it is sufficient to give notice of the continued hearing by publication unless the enforcement authority has received information in writing that enables it to make service under section 25 of this chapter by a method other than publication.

(c) The person to whom the order was issued, any person having a substantial property interest in the unsafe premises that are the subject of the order, or any other person with an interest in the proceedings may appear in person or by counsel at the hearing. Each person appearing at the hearing is entitled to present evidence, cross-examine opposing witnesses, and present arguments.

(d) At the conclusion of any hearing at which a continuance is not granted, the hearing authority may make findings and take action to:

(1) affirm the order;

(2) rescind the order; or

(3) modify the order, but unless the person to whom the order was issued, or counsel for that person, is present at the hearing, the hearing authority may modify the order in only a manner that makes its terms less stringent.

(e) In addition to affirming the order, in those cases in which the hearing authority finds that there has been a willful failure to comply with the order, the hearing authority may impose a civil penalty in an amount not to exceed five thousand dollars (\$5,000). The effective date of the civil penalty may be postponed for a reasonable period, after which the hearing authority may order the civil penalty reduced or stricken if the hearing authority is satisfied that all work necessary to fully comply with the order has been done. For purposes of an appeal under section 8 of this chapter or enforcement of an order under section 17 of this chapter, action of the hearing authority is considered final upon the affirmation of the order, even though the hearing authority may retain jurisdiction for the ultimate determination related to the civil penalty. In the hearing authority's exercise of continuing jurisdiction, the hearing authority may, in addition to reducing

or striking the civil penalty, impose one (1) or more additional civil penalties in an amount not to exceed five thousand dollars (\$5,000) per civil penalty. An additional civil penalty may be imposed if the hearing authority finds that:

(1) significant work on the premises to comply with the affirmed order has not been accomplished; and

(2) the premises have a negative effect on property values or the quality of life of the surrounding area or the premises require the provision of services by local government in excess of the services required by ordinary properties.

(f) If, at a hearing, a person to whom an order has been issued requests an additional period to accomplish action required by the

order, and shows good cause for this request to be granted, the hearing authority may grant the request. However, as a condition for allowing the additional period, the hearing authority may require that the person post a performance bond to be forfeited if the action required by the order is not completed within the additional period.

(g) If an order is affirmed or modified, the hearing authority shall issue a continuous enforcement order (as defined in section 2 of this chapter).

(h) The board or commission having control over the department shall, at a public hearing, after having given notice of the time and place of the hearing by publication in accordance with IC 5-3-1, adopt a schedule setting forth the maximum amount of performance bonds applicable to various types of ordered action. The hearing authority shall use this schedule to fix the amount of the performance bond required under subsection (f).

(i) The record of the findings made and action taken by the hearing authority at the hearing shall be available to the public upon request. However, neither the enforcement authority nor the hearing authority is required to give any person notice of the findings and action.

(j) If a civil penalty under subsection (e) is unpaid for more than fifteen (15) days after payment of the civil penalty is due, the civil penalty may be collected from any person against whom the hearing officer assessed the civil penalty or fine. A civil penalty or fine may be collected under this subsection in the same manner as costs under section 13 or 13.5 of this chapter. The amount of the civil penalty or fine that is collected shall be deposited in the unsafe building fund.

Appeals

Sec. 8. (a) An action taken under section 7(d) or 7(e) of this chapter is subject to review by the circuit or superior court of the county in which the unsafe premises are located, on request of:

(1) any person who has a substantial property interest in the unsafe premises; or

(2) any person to whom that order was issued.

(b) A person requesting judicial review under this section must file a verified complaint including the findings of fact and the action taken by the hearing authority. The complaint must be filed within ten (10) days after the date when the action was taken.

(c) An appeal under this section is an action de novo. The court may affirm, modify, or reverse

the action taken by the hearing authority.

As added by Acts 1981, P.L.309, SEC.28. Amended by P.L.169-2006, SEC.61.

IC 36-7-9-9

Emergency action; recovery of costs; challenge of determination of emergency

Sec. 9. (a) If the enforcement authority finds it necessary to take emergency action concerning an unsafe premises in order to protect life, safety, or property, it may take that action without issuing an order or giving notice. However, this emergency action must be limited to removing any immediate danger.

(b) The department, acting through the enforcement authority, may recover the costs incurred by the enforcement authority in taking emergency action, by filing a civil action in the circuit court or superior court of the county against the persons who held a fee interest, life estate interest, or equitable interest of a contract purchaser in the unsafe premises at the time the enforcement authority found it necessary to take emergency action. The department is not liable for the costs of this civil action.

(c) If an unsafe premises poses an immediate danger to the life or safety of persons occupying or using nearby property, the enforcement authority may, without following this chapter's requirements for issuing an order and giving notice, take emergency action to require persons to vacate and not use the nearby property until the danger has passed. However, any person required to vacate an unsafe premises under this subsection may challenge in an emergency court proceeding the enforcement authority's determination that the premises poses an immediate danger to the life or safety of any person. In an emergency court proceeding, the enforcement authority has the burden of proving that emergency action is necessary to protect from immediate danger the life or safety of persons occupying or using nearby property.

As added by Acts 1981, P.L.309, SEC.28. Amended by P.L.59-1986, SEC.8.

IC 36-7-9-10

Action to enforce orders

Sec. 10. (a) The enforcement authority may cause the action required by an order issued under section 5(a)(2), 5(a)(3), 5(a)(4), or 5(a)(5) of this chapter to be performed by a contractor if:

(1) the order has been served, in the manner prescribed by section 25 of this chapter, on each person having a known or recorded fee interest, life estate interest, or equitable interest of a contract purchaser in the unsafe premises that are the subject of the order;

(2) the order has not been complied with;

(3) a hearing was not requested under section 5(b)(6) of this chapter, or, if a hearing was requested, the order was affirmed at the hearing; and

(4) the order is not being reviewed under section 8 of this chapter.

(b) The enforcement authority may cause the action required by an order, other than an order under section 5(a)(2), 5(a)(3), 5(a)(4), or 5(a)(5) of this chapter, to be performed if:

(1) service of an order under section 5(a)(1) of this chapter, in the manner prescribed by section 25 of this chapter, has been made on each person having a known or recorded substantial property interest or present possessory interest in the unsafe premises that are the subject of the

order;

(2) service of an order under section 5(a)(6), 5(a)(7), or 5(a)(8) of this chapter, in the manner prescribed by section 25 of this chapter, has been made on each person having a known or recorded substantial property interest in the unsafe premises that are the subject of the order;

(3) the order has been affirmed or modified at the hearing in such a manner that all persons having a known or recorded substantial property interest, and persons holding a present possessory interest, as required, in the unsafe premises that are the subject of the order are currently subject to an order requiring the accomplishment of substantially identical action;

(4) the order, as affirmed or modified at the hearing, has not been complied with; and

(5) the order is not being reviewed under section 8 of this chapter.

(c) If action is being taken under this section on the basis of an order that was served by publication, it is sufficient to serve the statement by publication and indicate that the enforcement authority intends to perform the work, unless the authority has received information in writing that enables it to make service under section 25 of this chapter by a method other than publication.

As added by Acts 1981, P.L.309, SEC.28. Amended by P.L.59-1986, SEC.9; P.L.177-2003, SEC.6; P.L.169-2006, SEC.62.

IC 36-7-9-11

Liability for costs for performance of work required by orders

Sec. 11. (a) The work required by an order of the enforcement authority may be performed in the following manner:

(1) If the work is being performed under an order other than an order under section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter, and if the cost of this work is estimated to be less than ten thousand dollars (\$10,000), the department, acting through the unit's enforcement authority or other agent, may perform the work by means of the unit's own workers and equipment owned or leased by the unit. Notice that this work is to be performed must be given to all persons with a known or recorded substantial property interest, in the manner prescribed in subsection (c), at least ten (10) days before the date of performance of the work by the enforcement authority. This notice must include a statement that an amount representing a reasonable estimate of the cost incurred by the enforcement authority in processing the matter and performing the work may, if not paid, be recorded after a hearing as a lien against all persons having a fee interest, life estate interest, or equitable interest of a contract purchaser in the unsafe premises.

(2) If the work is being performed under an order other than an order under section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter, and if the estimated cost of this work is ten thousand dollars (\$10,000) or more, this work must be let at public bid to a contractor licensed and qualified under law. The obligation to pay costs imposed by section 12 of this chapter is based on the condition of the unsafe premises at the time the public bid was accepted. Changes occurring in the condition of the unsafe premises after the public bid was accepted do not eliminate or diminish this obligation.

(3) If the work is being performed under an order issued under section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter, the work may be performed by a contractor who has been awarded a base bid contract to perform the work for the enforcement authority, or by the department, acting through the unit's enforcement authority or other governmental agency and using the unit's own

workers and equipment owned or leased by the unit. Work performed under an order issued under section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter may be performed without further notice to the persons holding a fee interest, life estate interest, or equitable interest of a contract purchaser, and these persons are liable for the costs incurred by the enforcement authority in processing the matter and performing the work, as provided by section 12 of this chapter.

(b) Bids may be solicited and accepted for work on more than one (1) property if the bid reflects an allocation of the bid amount among the various unsafe premises in proportion to the work to be accomplished. The part of the bid amount attributable to each of the unsafe premises constitutes the basis for calculating the part of the costs described by section 12(a)(1) of this chapter.

(c) All persons who have a known or recorded substantial property interest in the unsafe premises and are subject to an order other than an order under section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter must be notified about the public bid in the manner prescribed by section 25 of this chapter, by means of a written statement including:

- (1) the name of the person to whom the order was issued;
- (2) a legal description or address of the unsafe premises that are the subject of the order;
- (3) a statement that a contract is to be let at public bid to a licensed contractor to accomplish work to comply with the order;
- (4) a description of work to be accomplished;
- (5) a statement that both the bid price of the licensed contractor who accomplishes the work and an amount representing a reasonable estimate of the cost incurred by the enforcement authority in processing the matter of the unsafe premises may, if not paid, be recorded after a hearing as a lien against all persons having a fee interest, life estate interest, or equitable interest of a contract purchaser in the unsafe premises;

-
- (6) the time of the bid opening;
 - (7) the place of the bid opening; and
 - (8) the name, address, and telephone number of the enforcement authority.

(d) If the notice of the statement that public bids are to be let is served by publication, the publication must include the information required by subsection (c), except that it need only include a general description of the work to be accomplished. The publication must also state that a copy of the statement of public bid may be obtained from the enforcement authority.

(e) Notice of the statement that public bids are to be let must be given, at least ten (10) days before the date of the public bid, to all persons who have a known or recorded substantial property interest in the property and are subject to an order other than an order under section 5(a)(2), 5(a)(3), or 5(a)(4) of this chapter.

(f) If action is being taken under this section on the basis of an order that was served by publication, it is sufficient to serve the statement that public bids are to be let by publication, unless the enforcement authority has received information in writing that enables the unit to make service under section 25 of this chapter by a method other than publication.

As added by Acts 1981, P.L.309, SEC.28. Amended by P.L.59-1986, SEC.11; P.L.255-1996, SEC.26; P.L.169-2006, SEC.63.

IC 36-7-9-12

Liability for costs for performance of work required by orders

Sec. 12. (a) When action required by an order is performed by the enforcement authority or

by a contractor acting under section 11 of this chapter, each person who held a fee interest, life estate interest, or equitable interest of a contract purchaser in the unsafe premises from the time when the order requiring the work performed was issued to the time that the work was completed is jointly and severally responsible for the following costs:

(1) The actual cost of the work performed by the enforcement authority or the bid price of work accomplished by the contractor under section 11 of this chapter.

(2) An amount that represents a reasonable forecast of the average processing expense that will be incurred by the enforcement authority in taking the technical, administrative, and legal actions concerning typical unsafe premises that are necessary under this chapter so that the action required by an order may be performed by a contractor under section 11 of this chapter. In calculating the amount of the average processing expense, the following costs may be considered:

(A) The cost of obtaining reliable information about the identity and location of persons who own a substantial property interest in the unsafe premises.

(B) The cost of notice of orders, notice of statements of rescission, notice of continued hearing, notice of statements that public bids are to be let or that the enforcement

authority intends to accomplish the work, and notice that a hearing may be held on the amounts indicated in the record, in accordance with section 25 of this chapter.

(C) Salaries for employees.

(D) The cost of supplies, equipment, and office space.

(b) The board or commission having control over the department shall determine the amount of the average processing expense at the public hearing, after notice has been given in the same manner as is required for other official action of the board or commission. In determining the average processing expense, the board or commission may fix the amount at a full dollar amount that is an even multiple of ten (10).

Sec. 13. (a) If all or any part of the costs listed in section 12 of this chapter remain unpaid for any unsafe premises (other than unsafe premises owned by a governmental entity) for more than fifteen (15) days after the completion of the work, the enforcement authority does not act under section 13.5 of this chapter, and the enforcement authority determines that there is a reasonable probability of obtaining recovery, the enforcement authority shall prepare a record stating:

(1) the name and last known address of each person who held a known or recorded fee interest, life estate interest, or equitable interest of a contract purchaser in the unsafe premises from the time the order requiring the work to be performed was recorded to the time that the work was completed;

(2) the legal description or address of the unsafe premises that were the subject of work;

(3) the nature of the work that was accomplished;

(4) the amount of the unpaid bid price of the work that was accomplished; and

(5) the amount of the unpaid average processing expense.

The record must be in a form approved by the state board of accounts.

(b) The enforcement authority, or its head, shall swear to the accuracy of the record before the

clerk of the circuit court and deposit the record in the clerk's office. Notice that the record has been filed and that a hearing on the amounts indicated in the record may be held must be sent in the manner prescribed by section 25 of this chapter to all of the following:

(1) The persons named in the record.

(2) Any mortgagee that has a known or recorded substantial property interest.

(c) If, within thirty (30) days after the notice required by subsection (b), a person named in the record or a mortgagee files

with the clerk of the circuit court a written petition objecting to the claim for payment and requesting a hearing, the clerk shall enter the cause on the docket of the circuit or superior court as a civil action, and a hearing shall be held on the question in the manner prescribed by IC 4-21.5. However, issues that could have been determined under section 8 of this chapter may not be entertained at the hearing. At the conclusion of the hearing, the court shall either sustain the petition or enter a judgment against the persons named in the record for the amounts recorded or for modified amounts.

(d) If no petition is filed under subsection (c), the clerk of the circuit court shall enter the cause on the docket of the court and the court shall enter a judgment for the amounts stated in the record.

(e) A judgment under subsection (c) or (d), to the extent that it is not satisfied under IC 27-2-15, is a debt and a lien on all the real and personal property of the person named, or a joint and several debt and lien on the real and personal property of the persons named in the record prepared under subsection (a). The lien on real property is perfected against all creditors and purchasers when the judgment is entered on the judgment docket of the court. The lien on personal property is perfected by filing a lis pendens notice in the appropriate filing office, as prescribed by the Indiana Rules of Trial Procedure.

(f) Judgments rendered under this section may be enforced in the same manner as all other judgments are enforced.

Inspection warrants

Sec. 16. (a) If the owners or those in possession of a building refuse inspection, an inspection officer of the enforcement authority may obtain an inspection warrant from any court of record in the county in which the building is located in order to determine if the building is an unsafe building. The court shall issue the warrant subject to the following conditions:

(1) The person seeking the warrant must establish that the building to be searched or inspected is to be searched or inspected as part of a legally authorized program of inspection that naturally includes the building, or that there is probable cause for believing that a condition, object, activity, or circumstance legally justifies a search or inspection of that building.

(3) The court must examine the affiant under oath or affirmation to verify the accuracy of the affidavit.

(4) is attached to the affidavit required to be made in order to obtain the warrant.

(c) A warrant issued under this section is valid for only forty-eight (48) hours after its issuance, must be personally served upon the owner or possessor of the building, and must be returned within seventy-two (72) hours.

(b) A civil action may not be initiated under this section before the final date of an order or an extension of an order under section 5(c) of this chapter requiring:

within the period the court allows. Before granting a period of time that is conditioned on the posting of a bond, the court may require that the requesting person justify the request with a workable and financially supported plan. If the court determines that a significant amount of work must be accomplished to comply with the order, the court may require that the bond specify interim completion standards and provide that the bond is forfeited if any of these interim completion standards are not substantially met.

(b) An amount collected under subsection (a) on a forfeited bond shall be deposited in the unsafe building fund.

The effective date of the penalty may be postponed for a period not to exceed thirty (30) days, after which the court may order the penalty reduced or stricken if it is satisfied that all work necessary to fully comply with the order has been done.

(b) On request of the enforcement authority the court shall enter a judgment in the amount of the penalty. If there is more than one (1) party defendant, the penalty is separately applicable to each defendant. The amount of a penalty that is collected shall be deposited in the unsafe building fund.

Appointment of receiver; conditions; rehabilitation of property by owner, mortgagee, or person with substantial interest

Sec. 20. (a) A court acting under section 17 of this chapter may appoint a receiver for the unsafe premises, subject to the following conditions:

(1) The purpose of the receivership must be to take possession of the unsafe premises for a period sufficient to accomplish and pay for repairs and improvements.

(2) The receiver may be a nonprofit corporation the primary purpose of which is the improvement of housing conditions in the county where the unsafe premises are located, or may be any other capable person residing in the county.

(3) Notwithstanding any prior assignments of the rents and other income of the unsafe premises, the receiver must collect and use that income to repair or remove the defects as required by the order, and may, upon approval by the court, make repairs and improvements in addition to those specified in the order or required by applicable statutes, ordinances, codes, or

regulations.

(4) The receiver may make any contracts and do all things necessary to accomplish the repair and improvement of the unsafe premises.

(5) A receiver that expends money, performs labor, or furnishes materials or machinery, including the leasing of equipment or tools, for the repair of an unsafe premises may have a lien that is equal to the total expended. When a lien exists, the receiver may sell the property:

(A) to the highest bidder at auction under the same notice and sale provisions applicable to a foreclosure sale of mechanic's liens or mortgages; or

(B) for fair market value if all persons having a substantial property interest in the unsafe premises agree to the amount and procedure.

The transferee in either a public or private sale must first demonstrate the necessary ability and experience to rehabilitate the premises within a reasonable time to the satisfaction of the receiver.

(6) The court may, after a hearing, authorize the receiver to obtain money needed to accomplish the repairs and improvement by the issuance and sale of notes or receiver's certificates to the receiver or any other person or party bearing interest fixed by the court. The notes or certificates are a first lien on the unsafe premises and the rents and income of the unsafe building. This lien is superior to all other assignments of rents, liens, mortgages, or other encumbrances on the property, except taxes, if, within sixty (60) days following the sale or transfer for value of the notes by the receiver, the holder of the notes files a notice containing the following information in the county recorder's office:

(A) The legal description of the tract of real property on which the unsafe building is located.

(B) The face amount and interest rate of the note or certificate.

(C) The date when the note or certificate was sold or transferred by the receiver.

(D) The date of maturity.

(7) Upon payment to the holder of a receiver's note or certificate of the face amount and interest, and upon filing in the recorder's office of a sworn statement of payment, the lien of that note or certificate is released. Upon a default in payment on a receiver's note or certificate, the lien may be enforced by proceedings to foreclose in the manner prescribed for mechanic's liens or mortgages. However, the foreclosure proceedings must be commenced within two (2) years

after the date of default.

(8) The receiver is entitled to the same fees, commissions, and necessary expenses as receivers in actions to foreclose mortgages. The fees, commissions, and expenses shall be paid out of the rents and incomes of the property in receivership.

(b) The issuance of an order concerning unsafe premises is not a prerequisite to the appointment of a receiver nor does such an order prevent the appointment of a receiver.

(c) If the enforcement authority or the enforcement authority's designee requests the appointment of a receiver, all persons having a substantial property interest in the unsafe premises shall be made party defendants.

(d) A court, when granting powers and duties to a receiver, shall consider:

- (1) the occupancy of the unsafe premises;
- (2) the overall condition of the property;
- (3) the hazard to public health, safety, and welfare;
- (4) the number of persons having a substantial property interest in the unsafe premises; and
- (5) other factors the court considers relevant.

(e) Instead of appointing a receiver to sell or rehabilitate an unsafe premises, the court may permit an owner, a mortgagee, or a person with substantial interest in the unsafe premises to rehabilitate the premises if the owner, mortgagee, or person with substantial interest:

(1) demonstrates ability to complete the rehabilitation within a reasonable time, but not to exceed sixty (60) days;

(2) agrees to comply within a specified schedule for rehabilitation; and

(3) posts a bond as security for performance of the required work in compliance with the specified schedule in subdivision (2).

Sec. 21. (a) A court acting under section 17 of this chapter may authorize the department, acting through its enforcement authority, to cause the action required by the order to be performed by a contractor licensed and qualified under law, if it is shown that:

(1) an order was issued to each person having a substantial property interest in the unsafe premises;

(2) each of the orders has been affirmed or modified at a hearing in such a manner that all persons having substantial property interest in the unsafe premises that are the subject of the orders are currently subject to an order requiring substantially identical action;

(3) the order, as affirmed or modified at the hearing, has not been complied with;

(4) the building that is the subject of the order is an unsafe building; and

(5) the order is not being reviewed under section 8 of this chapter.

(b) If the enforcement authority requests permission to cause the action required by the order to be performed by a contractor, all

persons having a substantial property interest in the unsafe premises shall be made party defendants.

(c) The cost of the work and the processing expenses incurred by the enforcement authority computed under section 12 of this chapter, may, after a hearing, be entered by the court as a judgment against persons having a fee interest, life estate interest, or equitable interest of a contract purchaser in the unsafe premises.

Emergencies; court order authorizing action to make premises safe; judgment for costs

Sec. 22. (a) A court acting under section 17 of this chapter may set a hearing to be held within ten (10) days after the filing of a complaint alleging the existence of unsafe premises presenting an immediate danger to the health and safety of the surrounding community sufficient to warrant emergency action. Upon a finding at the hearing in favor of the department, the court may:

(1) permit the enforcement authority to cause the action necessary to make the premises safe to be immediately performed by a contractor licensed and qualified under law;

(2) permit the enforcement authority to cause the action necessary to make the premises safe to be immediately performed by a contractor licensed and qualified under law after the defendants have had a reasonable time, as established by the court, to make the unsafe premises safe and have failed to complete the necessary action; or

(3) grant a mandatory injunction relative to the unsafe premises that would require a defendant who has an interest in the premises that allows the defendant to take corrective action to immediately make the premises safe.

In granting relief under subdivision (2) or (3) the court shall set a date certain for the completion of the necessary action and shall hold a hearing within ten (10) days after that date to determine whether the necessary action has been completed.

(b) The issuance of an order concerning the unsafe premises is not a prerequisite to permission by the court to cause action to be performed on the unsafe premises. If an order has been issued concerning the unsafe premises, it does not prevent the permission by the court to cause action to be performed on the unsafe premises.

(c) If the enforcement authority requests authority to cause action on the unsafe premises to be performed by a contractor, all persons having a substantial property interest in the unsafe premises shall be made party defendants.

(d) The cost of accomplishing the work may, after a hearing, be entered by the court as a judgment against persons having a fee interest, life estate interest, or equitable interest of a contract purchaser in the unsafe premises.
