Frost Road Advisory Information

The Pulaski County Highway Department reminds drivers that the Frost Road Advisory officially begins on February 1st and runs through April 1st. The Frost Road Advisory has been implemented to protect the county roads from damage caused by heavy vehicles traveling during a time when the roads and the road bases are defrosting.

Any vehicle weighing over 8 tons is asked to contact the Highway Department for the best route possible for maintaining our county roads.

Please call Pulaski County Highway Department at 574-946-3942 between the hours of 7am – 3pm Monday – Friday for additional information. Thank you for your help in this matter.
