

**PULASKI COUNTY DRAINAGE BOARD MEETING**

**JUNE 19, 2017**

The Pulaski County Drainage Board met on Monday June 19, 2017 in the Commissioners Room, third floor of the Pulaski County Courthouse. The meeting was called to order by Kenny Becker at 10:37 a.m.

Present was Kenny Becker, Jerry Locke, Attorney Tim Murray, Madelyn Murray, Jenny Keller and Susan Thomas.

**GINTHER TILE**

Jenny: Donnie Link came in and he thought the tile was broken down through him because that pasture was a huge waterhole. Weaver-Fox cut some trees that were on the tile. DeSabatine did some work also. I've been out there a couple of times and there is not water now.

**BLINN TILE**

Jenny: The Blinn Tile, DeSabatines are going to repair the tile for \$280.60. Dave Newman called and reported this.

**PRATHER DITCH**

Jenny: Dave Newman reported a beaver dam east of 400 E. The County Highway was already going to be out there fixing a washout right next to a pipe so they went out there and removed the beaver dam.

**GRAFFIS**

Jenny: The Graffis Ditch, Jordan Field called and reported that Josh Mitchell has some tile under water. We put this on our list to survey.

**WARD**

Jenny: Mick Perry reported a washout just south of 100 S. We will get that looked at.

**WALLACE BRANCH/STOUT-HODGE**

Jenny: Scott Leman called and he wants the Wallace Branch cleaned. We are going to go ahead and survey it. On the Stout/Hodge, we are going to be doing a couple mile project through a stretch through Fred and Craig Kasten's and the Stotlers. We are going to re-clean that eventually so we're not going to have any money left in the fund to do the Wallace Branch.

**WESTPHAL DITCH/GUTWEIN INVOICE**

Jenny: When we cleaned the Westphal Ditch, Gutwein just sent me this invoice. There's an additional \$986.75 that he added onto the work. They were going to use concrete from the demolition of the elevator in Francesville but that fell through.

They ended up using two loads of rip-rap for the erosion repair and that was the price of it.

Kenny: Well I'm going to make a motion we go ahead and pay this.

Jerry: I'll second.

Kenny: I've got a motion and a second. Motion carried. The next time he does anything like that, when he's going to change things around, tell him he needs to call you.

Jerry: I'll make a motion to accept the claims as present.
