

PULASKI COUNTY DRAINAGE BOARD MEETING
OCTOBER 16, 2017

The Pulaski County Drainage Board met on Monday October 16, 2017 in the Commissioners Room, third floor of the Pulaski County Courthouse. The meeting was called to order by Kenny Becker at 10:27 a.m.

Present was Kenny Becker, Jerry Locke, Mike McClure, Attorney Tim Murray, Jenny Keller and Susan Thomas.

DILTS/ANSTIS

Jenny: We are going to go from 300 to where the ditch ends. Going to the end is on Bob Wyatt's property. DeSabatines quoted me \$2500.00 to do all that, so I just told them to go ahead and do it.

LETTING OF DITCHES

Jenny: Next month we are going to be letting ditches out: the Mosely Main, the Helman, the Pelsey, the Fritz, the Fox-Raderstorf and the Slonaker.

PLAT BOOKS

Jenny: This for the plat books, Farm and Home Publishers.....

Kenny: What happen to the old guys? I don't like these. I don't think we need to get these if we got someone in the County that's doing it.

Mike: I don't think so.

Kenny: I don't think she needs to spend her money on them. I will make a suggestion. If you could find them, maybe you ought to buy a couple copies.

Mike: Yes, at her disposal.

Jenny: Okay.

OCE' PLOTWAVE 300 SYSTEM

Jenny: I had a gentleman come in from Priority Engineering to talk about the Plotwave 300 System. In our back room we have our big copier. I can make copies of plats and surveys and stuff. It is not hooked up to the network. It doesn't have the bottom part where you can put rolls of paper in it. The Plotwave 300 System has the capacity to hold two rolls of paper of different sizes. It can be hooked up to the network. I was going to send the information over to the IT man to make sure that everything would be compatible.

Kenny: How much does it cost?

Mike: \$4500.00.

Jenny: It's not a brand new model. It's been used.

Mike: Do you really need it?

Jenny: I have to really go through the pros and cons of justifying spending that much money. They don't do any trade in.

Kenny: What type of warranty do they have on it? I'd hate to see you spend \$4500.00 with no warranty.

Jenny: I will e-mail him to find out.

Jerry: Well I'm fine with it if you want to go ahead.

Kenny: Yep but I'd check on the warranty.

CLAIMS

A	\$ 404.73	Howard Marathon	\$ 290.22 114.51	Gas for surveyors trucks Analysis/sensor/labor	22100-006 36100-006	Gas, oil, etc. Equipment repair
