

**PULASKI COUNTY DRAINAGE BOARD MEETING**  
**DECEMBER 18, 2017**

The Pulaski County Drainage Board met on Monday December 18, 2017 in the Commissioner's Room, third floor of the Pulaski County Courthouse. The meeting was called to order by Kenny Becker at 10:30 a.m. Present was Kenny Becker, Jerry Locke, Mike McClure, Attorney Tim Murray, Jenny Keller and Susan Thomas.

**FOX-RADERSTORF**

Jenny: Tom Fox had called in and he wanted part of the ditch cleaned there on him. I told him we were supposed to open up bids today. It was re-bid. He said he wanted it done right away and I said there is not really that much money in there. He said, if I have someone come in and clean it, he was going to pay for hit on his own.

**OPEN BIDS ON FOX-RADERSTORF**

Jenny: We did not get any bids.

Kenny: Now what can you do?

Jenny: So do you want me to just hold off until January and try to re-bid it?

Kenny: I would try it one more time.

Jerry: Yes, re-bid it.

**TYLER WEISJAHN**

Jenny: Carl Smith was in and would like the Tyler Weisjahn cleaned from Masters crossing to 75 N. That is just going to have to be on the list to do. We have \$2,677.00 in the fund. We have got the Finley Branch surveyed so we are going to clean that.

**PELSEY DITCH**

Jenny: The Pelsey Ditch we let out last month and Jerry Gutwein got that project. We are now asking Jerry to give us a quote from the railroad to the Helman Ditch. Don Albrecht reported a big hole up in there. Jerry is going to look at that.

**MOSS CREEK**

Jenny: Phil Brucker was in and when this gets cleaned, he did not want the spoil. He asked if it could be hauled to a low spot just down from the ditch and I told him that he would have to pay for the trucking.

Kenny: Was he willing to do that?

Jenny: Yes. It is something that he and the contractors have to work out. I will put that in the specs.

**PRATHER**

Jenny: Tony Kasten called and reported a beaver dam in the ditch ¼ mile east of 325 east. I will have to get somebody to go out there and get that.

Kenny: Do you have anybody to go out and try to trap those beavers?

Jenny: John Miller does.

Kenny: Barney Rausch will trap them if you can't get ahold of John.

**CLAIMS & MINUTES**

Mike: I'll make a motion to approve the claims and minutes.

Jerry: Second.

Kenny: We have a motion and second. Motion carried

A	\$ 493.70	Howards Marathon	\$ 204.96	Gas for Surveyor trucks	22100-006	Gas, Oil etc
