New Business:

*All members updated their contact information.

*Doug Hoover asked if members would participate in the Nitty Gritty workshop if we can get dates narrowed down. He's waiting on the workshop director to contact him with dates available. Most members said summer is a very busy time to commit to a 2 day workshop. Once Doug gets dates from KK, we will determine if it's cost effective to host the workshop in Pulaski Co or send members elsewhere.

*Nathan & Doug stressed the importance of our trying to locate additional citizen members for BZA and APC. Example being, we had only 1 member present for the BZA meeting.

Old Business: NONE

Other Business:

*Rick mentioned the concern the public has had over wind ordinance for Pulaski Co due to the controversy over Cass & Fulton Co. potential wind farms.

Public Comment: NONE

Adjournment: Lawrence motion to adjourn at 7:39pm Phil 2nd
