New Business: Nitty Gritty Program: Doug said the program leader hasn't
gotten back with him regarding her available schedule for us. If we participate, it won't
be till end of summer.

2018 Schedule has been updated to reflect new dates &
location at the CDC building

Nathan is proposing we hold a neutral forum for those
curious on wind turbine pros & cons. Said forum would include attendees from
neighboring counties and those from areas where wind energy has affected them in a
positive and negative way. Persons of interest include residence & resident officials of
Benton, White & Tipton Counties.

Old Business: Nathan: fee schedules need updated. Doug, Nathan & Karla
to work on

Public Comment: Several members of our community are in attendance to speak on the possibility of wind power and the affects it has on our community from their perspective.

Public members addressing concerns:

Wayne Haselby, Evan Criswell, Mark Lambert, Ed Gudas, Mary Welker, Tim Powers, Ben Stoller, unknown citizen and Tom Thomas commented & asked questions such as:

Setbacks, ice throw distance, how do we keep RES out of our county, does military have jurisdiction, would each part of property turbine sits on be rezoned?

Adjournment: Pam motion to adjourn at 6:33, Phil 2nd

Sincerely submitted,

BZA Secretary Karla Kreamer, Pulaski County Board of Zoning Appeals

BZA President Derrick Stalbaum

BZA Executive Secretary Phil Woolery
