IN RE: LIT/PTRC

Jeff Peters of Peters Municipal Consultants, LTD explained some of the options available under the current income tax configuration. The floor was then opened to the public for questions or comments. The deadline for making any changes to the income tax configuration is October 31, 2018 to be effective January 2019. It was determined that the deadline was too close to make any decisions. Mr. Peters is in the process of analyzing our information and history and expects to have some recommendation by early December. Any decisions to take place must be made by September 2019 to be effective for 2020.

As there was nothing further to discuss, Michael T. Tiede motioned to adjourn at 6:30pm and Scott Hinkle seconded the motion. Motion carried unanimously.
