

Notice Issued - At this time, there are no plans to close Pulaski County Courts due to COVID-19. However, the courts will conduct only essential hearings. **You will be notified if you should NOT report as ordered.** The courts will notify you and the media if that changes. To help reduce exposure, only you and your attorney should come to court. Family members and friends should stay home or remain outside of county buildings during your hearing. Only essential parties will be allowed into the courts.

If you are sick, have your attorney file a motion to continue, or if you do not have an attorney, you should contact the court and request a continuance. Please practice good hygiene when coming to the courts: Wash hands with soap and water for at least 20 seconds, cough and sneeze into your elbow, bring your own pen to fill out paperwork, and utilize hand sanitizer. It is our hope this will help keep our community safe and protect you, as well as our staff.

Your cooperation is expected and appreciated.
